This is my final newsletter and I thank everyone for helping us overcome the problems we had associated with the Virus to get the Post operating on a regular schedule. The Fish Fry and Bingo are doing well and while we are not back to last years levels we can be proud of where we are.

The Post met all the VFW requirements for the year in addition to having 3 Voice of Democracy winners, 3 Patriot Pen winners, Elizabeth Moran was our teacher of the year winning Post and District, we had an Eagle Scout who was also given a Frank Del Rio Scholarship. In addition to all of those awards our Post winner for Law Enforcement won the State Law Enforcement Officer of the year. Quite an accomplishment for this Post.

I am happy to report on Memorial Day we will have 3 Scholarships and present awards to Lecanto HS and Inglis JROTC programs as well as 3 Cadets.

Sometimes it helps to be reminded the purpose we are members is, so we never forget those who gave their lives and the POW/MIA Veterans. Your contributions whether in visiting the Post, monetary or volunteer work makes the post what it is. Your membership makes a difference.

My final word is I appreciate the opportunity to have shared and worked with you this year and wish you the very best.

Bill Merryman, Commander

Message from incoming Commander, Pasquale F Burgese

I graciously & humbly accept the position of Commander of Harry F. Nesbitt VFW post 10087. I would like to THANK everyone who came out to support me & let you all know, Everything I do will be to the betterment of the post! That means the post & auxiliary will work together for the betterment of the post.

I would like to THANK ALL our Auxiliary & especially all our VOLUNTEERS who give of their time to make OUR programs work!

I have visited some VFW's & spoke to Commanders, Quartermasters & Aux. Presidents. I was amazed how well they worked together ALL for the POST! I would personally like to see our post run the same way. I asked how they got everyone to work together so well & they told me that everyone understands our MISSION at VFW.

So with that I would like everyone to reads what the VFW's Mission is:

Our mission is very simple. We foster camaraderie among United States veterans of conflicts overseas, we serve our veterans, the military, and the communities, and we advocate on behalf of all veterans. We ensure that veterans are respected for their service, receive their earned entitlements, and are recognized for their sacrifices that they and their loved ones have made on behalf of this great country. To care for the orphan & widow of our fallen.

Our core values are to put the interests of our members first, to treat donors as partners in our cause. We promote patriotism, honor military service, and ensure the care of veterans and their families, and serve in our communities. We always promote a positive image of the VFW and respect the diversity of veteran opinions.

Now that everyone understands OUR Mission, everything WE do will be for the Veteran's of Foreign Wars, the auxiliary included should want to help & contribute to the betterment of the post. For without the POST there would be NO Auxiliary.

I will be putting a suggestion box out if anyone wants to suggest ideas, & I would like to ask that any & all decisions made about ANY post business go thru Me & to give me 24 hours to make an informed decision as I am NEW to all this.

I want to THANK my comrades who voluntarily stepped up to help this administration keep the post going in a positive direction. I know WE will all do a great job!!

GOD BLESS YOU
GOD BLESS THE USA
GOD BLESS VFW & AUX!!

Thank you respectfully,

AUXILIARY NEWS

Greetings and Blessed Memorial Day

Reflection is what this weekend is all about. Many that join our Auxiliary come under a son, daughter, mother, father, grandfather, or grandmother. My question is this, do you know what they did? Do you know what they endured or felt? Did they serve in battles that they still have dreams or nightmares about? If they are still with you, ask them. Tell their story. We are slowly losing what made this country's history grand. Our children are not being told about their heritage and what the Service men and woman contributed. Make this a goal as we begin our new year of dedication to helping our Veterans. Sometimes we just need to listen.

Join us this June 10 th and help recognize our volunteers and Service men and women that belong to our amazing Auxiliary. We will be having a potluck and issuing longevity pins and giving our new officers their recognition and saying thank you to those who served our previous year. Bring your best recipe and help us give thanks for surviving the last 18 months.

We also will be putting together our bags of love for our veterans in Gainesville that are in the Chemo clinic. Should only take a small amount of time and then we will make a date to take them to the Veterans Hospital.

Thank you for all you do.

Respectfully,

Debra Wilson
