COMMANDER'S CORNER

The purpose of this communication is to offer any assistance you may need and to update you on what we are able to do while the post is closed.

If you need assistance, know of another post member or any veteran that needs assistance please contact the post. We are in the office most days doing financial office work or maintenance, however if we are not able to answer the phone please leave us a message and we will get back to you as soon as possible. **The post Number is 352-746-0440.**

The best way to contact the post is through email; the post email is vwpost10087@gmail.com

We check our email every day and will respond as quickly as possible. Please include a current phone number so we can use it to follow up quickly.

The State Commander has stressed that posts must take care of and assist our membership in any way possible so again please contact the post so we can assist you during this time that is very stressful for all of us. Be safe and healthy during this period of the Coronavirus. Remember let's keep our distance but work together to beat this.

Please do not forget to renew your dues. Everyone that is annual please check your cards and make sure you are up to date. You should contact the post if you need any assistance with membership. Even though we can not meet at the post we would still like to keep renewing and also enroll new members.

During the time our post is closed we are doing the following:

- 1) Barb and Willie have pressure washed the Smoking Room and Grill Room to include cleaning all furniture and fixtures.
- 2) We have cleaned the entire post with bleach solution and we will do so each week even while the post is closed.
- 3) Drains and drain traps have been removed and cleaned with a bleach solution.
- 4) Bar rails are being sanded and resealed to insure all old residue is removed and new sanitized finish provided.
- 5) Sue has been cleaning the entire kitchen putting up new blinds and again insuring a sanitized environment.

These items were completed so you can be assured when we are able to reopen your post it will be a clean and safe environment.

Please note:

We are not sure when we will be able to have a membership meeting to accept final nominations and hold elections. I will email an update by mid-April. At this point the following members have indicated an interest to serve in the following post positions:

Commander: Frank Del Rio, Mike King, Pat Lenaghan

Senior Vice: Dennis Kocielko - Junior Vice: Bob Hembree

1 Year Trustee: None – 2 Year Trustee: Gary Klemanski – 3 Year Trustee: None

Quartermaster: Howard Wahl is considering

With sincere appreciation for your patience and support

Bill Merryman, Commander
