AUXILIARY NEWS

Greetings Auxiliary Members,

We hope all of you are healthier and getting back to the new normal. We are heading into a busy month and looking forward to summer. I hope some of you got to attend the 50th Memorial of the Vietnam wall. It was a moving experience and truly heart tugging.

Next general meeting is on the 13th of May. There will be some updates on Scholarship selections and fundraising along with our committees and what they are accomplishing. We also will be planning for the June appreciation of our past, present, and special people that work so tirelessly throughout the year.

Notes of importance that we want you to be informed about are a Standing Rule as follows: Item J of the adopted Standing Rules states as follows: "If an Auxiliary member is in the canteen during Auxiliary meeting, they need to come into the meeting or they will not be served in the canteen." No Exceptions!

If there are questions regarding operation of or general information, please touch base with your Auxiliary board. Rumor and inuendo only serves to confusion and misleading information. If it regards a procedure, you can always look in the Podium Book where all the rules are set by National. Also, if it is a Post Question, please check with your post Commander or a member of the House Committee. They run the post and all within the walls.

We have several fun things in May. Always on Wednesday from 5 until 7 we have SMTM (card Bingo). Bring in 3 items, (right now we need peanut butter and jelly and Sugar) and get a free card to play the night with along with the purchase of one card. Other fun things happen during this also. Then on Sunday we have Bingo. Doors open at 11 and Bingo starts at 1pm, as always, we need volunteers. This is our only income so let us pull it together.

Garage sale will be on May 22nd. We will have indoor tables for 15.00 and outdoor for 10.00. If you want one, first come, first serve, and tell your friends. We will have a designated area for Auxiliary donations with proceeds going to Auxiliary.

There will be installation of officers on May 27th at 3 pm. This is an installation only for State requirements.

See the calendar for all post activities and support the post. Bring a friend.
